

Diwali Celebration

Diwali or Deepawali is a festival of lights and one of the major festivals celebrated by Hindus, Jains, Sikhs and some Buddhists. It symbolizes the spiritual “victory of light over darkness, good over evil, and knowledge over ignorance”. For the purpose of celebrating this occasion and making teacher trainees aware of the varied Indian society, ‘Diwali celebration programme’ was organised on **12 November 2020** by the teacher trainees of B.ED & D.El.Ed on the virtual platform; Google Meet.

The programme started with the playing of Ganesh Vandana, which made the atmosphere pleasant and heart-warming. It was followed by various performances namely; poem on Diwali, story for soldiers, Green Diwali promotion, singing a song, delivering a speech, dancing on Diwali songs, preparing Diwali cards and many more. The teacher trainees gave splendid performances and presented the whole programme very creatively. There were few performances which evoked empathic concerns in the audience regarding their environment and promoted the concept of eco-friendly or pollution free Diwali.

Teacher trainees were addressed by respected Principal Madam, Prof. Sonia Jindal. She gave her warm wishes to the trainees and was delighted to see such organised programme. Then the faculty members were called upon to wish the teacher trainees and speak few words on this occasion.
