

## **Report on Janmashtami Celebration**

***“Spiritually life is a festival, a celebration, joy is the essence of life.”***

India is known for its heterogeneity. The diverse cultures and its practices not only entice foreigners to visit this prestigious country, but the Indians themselves are left with nothing but experiencing these mesmerizing cultural festivals. One such festival is Janmashtami, a Hindu festival celebrating the birth of the Lord Krishna, is symbolic of the encouragement of the goodwill among people. To commemorate this auspicious occasion, the students and faculty members of Gitarattan Institute of Advanced Studies and Training, Rohini celebrated this festival on 28<sup>th</sup> August, 2021 at Google Meet.

The B.Ed third semester students participated with zeal and enthusiasm by showcasing various blissful and beautiful performances comprising of dance, singing, poetry, storytelling, and many more. The program began with welcoming of the participants by beautiful songs and poems that give a devotional touch to the program while the elegant dances contributed to the energy associated with the day. The mesmerizing poems and artworks by the students highlighted the participants' immense skills. Various messages delivered emphasized on the importance of the day along with interesting anecdotes of Krishna's life. The background music and images added to the charm of the event. The performances were concluded with the aarti of the Lord Krishna. The whole program was linked by the eloquent words of the anchors who enacted the characters of Krishna and Radha.

The entire program became a memorable event due to the efforts of the participants along with the enthusiasm of the audience. The wishes and compliments from the Principal, Prof. Sonia Jindal and the teachers, added to the joy of the day.
