

PAPER RANGOLI COMPETITION

A paper rangoli competition was held at GIAST, Rohini for B.Ed. I year students. The parameters of the competition were-full size white cartridge sheet, any type of colours could be used and we were supposed to show our creativity by using materials like sand, clay and others. We were given liberty to choose any creative theme.

The evaluation criteria for the competition were-

1. Relevance to the Theme
2. Presentation
3. Aesthetic Appeal
4. Creativity

On the day of competition, our respected Principal, Prof. Sonia Jindal, came in our classes and said that we all will be allowed to use our phones, in order to see and then draw. She also, after seeing one of the rangolis, said that it is supposed to be a rangoli and not a poster. She also changed the parameters, saying that the theme of our rangoli has to be any Indian Festival. She (our principal ma'am) lauded the efforts of every student, saying that participation is in itself a victory for those who have never done it before. The main intention of the contest was to let the student teachers explore and discover their hidden talents and showcase their creativity. Some students did show their creativity by using materials like beads, foil paper, diyas and colored rice. The most common theme of the paper rangoli competition was Krishna Janamshtami as it was coming on 3rd September' 2018. Ganesh Chaturthi was also one of the festivals that students took the theme of.
