Subject: Participation of school Eco-club students in National level school competition on the occasion of World Ozone Day – reg.

Sir/Madam,

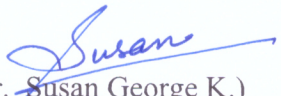

As you are aware, every year 16th September is celebrated world-wide as the International Day for the Preservation of the Ozone Layer. The Day reminds us that ozone is crucial for life on Earth and we must protect the ozone layer for future generations.

2. As an initiative to spread awareness about this Day, this Ministry's National Museum of Natural History, in collaboration with Ozone Cell, is organizing an online National level school competition for students of class 8th to 12th. There would be two competitions (i) Poster making competition on theme '*Protection of the Ozone layer*' and (ii) Slogan writing competition on themes '*Protection of the Ozone layer*' and '*Global warming*'. More details may kindly be seen in the advertisement enclosed herewith which is also uploaded on this Ministry's website (<https://moef.gov.in>). A format for recommendation from school to be submitted by the participants is also enclosed herewith. It may be noted that the **last date to submit entries is 01st September 2021.**

3. All SNAs are requested to encourage maximum participation from the Eco-clubs of your State/ UT so as to make this event a grand success.
