QUIZ ON TRINGA

B.ED curriculum is all known for its various project works, which enables a student to be one of the best teachers. Students are held for mocks at various stages. Co-curricular activity are the medium where students got to learn a lot of new things.

An activity was being organized in which the students of all houses had to solve some questions based on our national flag ( tiranga ). The winner would be announced based on the maximum number of correct questions. This activity was organized on 12th, August, 2022.

Students enjoyed this a lot as it was a brainstorming activity.

## NATIONAL EDUCATION POLICY 2020 - HOLISTIC AND ENJOYABLE LEARNING IN THE PRESENCE OF HETEROGENEITY

FDP

NATIONAL EDUCATION POLICY 2020 -  
HOLISTIC AND ENJOYABLE LEARNING IN  
THE PRESENCE OF HETEROGENEITY

New Education Policy 2020 has played a significant role in the development of education system in India which focuses on the holistic and enjoyable learning of the learners. These recommendations of the NEP 2020 have resulted in a paradigm shift in education. In the present scenario, the role of heterogeneity in classrooms with context to NEP 2020 cannot be neglected

and it is also true that different stakeholders of education are attempting to cater heterogeneity in classrooms. In an attempt to understand the concept of holistic and enjoyable learning and its implication in the classroom, Gitarattan Institute of Advanced Studies and Training, Delhi took the initiative to organize one week Faculty Development Programme on the topic “National Education Policy 2020 – Holistic and Enjoyable Learning in the Presence of Heterogeneity” from 3rd August’ to 10th August’ 2022 at Google Meet Application.

GIAST GITARATTAN INSTITUTE OF ADVANCED STUDIES & TRAINING

World Ozone Day, observed every year on September 16, is also known as the ‘International Day for the Preservation of the Ozone Layer’. The need to declare an action to preserve the ozone layer introduced as a result of the outset of its depletion. In view of this, Gitarattan Institute of Advanced Studies and training organised a one-day online workshop on the occasion of World Ozone Day on 16th September 2022. The theme of the workshop was Montreal Protocol@35: “global cooperation protecting life on earth”. The entire programme was organised by Ms. Rekha Ghalot, Assistant. Professor, GIAST and Ms. Shikhi Rohilla , HOD of Biology of a renowned CBSE Affiliated school. The workshop aimed to create greater awareness among the teaching and student communities related

## INTER-HOUSE DEBATE COMPETITION: TEACHERS PLAY A MAJOR ROLE IN MOULDING CHILD’S LIFE THAN PARENTS”

As a part of co-curricular activity, Gitarattan Institute of Advanced Studies and Training organized a debate competition on the theme” teachers play a major role in moulding child’s life than parents” There were two teams in the debate competition one was in the favor of the topic and other team was against of the topic in all the four houses. Each team presented their opinion and explained their perspective on the view in brief. Both the teams A and B gave their best and maintain the decorum of the discussion with facts and figure.

It was an enriching experience for the students to learn something from each other. In the end everybody came on the same page by coming jointly with the conclusion that teachers and parents both are very important in the child’s life. We cannot compare teachers and parents with each other they both play varied role at different levels in the child’s life.

# INTER HOUSE CONCEPT MAPPING COMPETITION

## INTER HOUSE CONCEPT MAPPING

An inter house competition for concept mapping was organised in Gitarattan Institute of Advanced Studies and Training on 28 oct 2022.

For the successfully completion of activity pupil teachers were allotted the respective house and they formed groups of four pupil teachers each. Divided groups had chosen topic of their interest and made concept map for their topic. Everyone participated with great zeal and enthusiasm. Each group prepared eye catching concept maps that explained the topics very well.

The activity was conducted successfully and it made the pupil teachers to realise the need and importance of concept mapping and also how to make a concept map. It was a great experience for all the pupil teachers.

## DIWALI CELEBRATION 2022

Gitarattan Institute of Advanced Studies And Training celebrated Diwali with great zeal and enthusiasm on 21st October 2022.

Diwali is celebrated because this day Lord Rama returned to his home Ayodhya after 14 years of vanavasa. On this day Lord Ganesha and Goddess Lakshmi are being worshipped. There were dance performances and a pooja organized by the students and the faculty members in the institute premises. There was a rangoli competition and board decoration competition organized on the same day and the corridors and classes were beautifully decorated with rangolis, diyas, candles etc.

# NOVEMBER 2022

## PLANNER

- EXTENSION  
WORKSHOP
- HOUSE ACTIVITY
- EXTENSION LECTURE
- ATTRIBUTION OF  
SIGNIFICANT LIFE  
EXPERIENCE

# EXTENSION WORKSHOP: HOW TO MAKE COMMUNICATION EFFECTIVE

An extension lecture was held on 14 th November in the college premises . The Resource Person Prof. (Dr.) P.M. Johri, Director of GIBS, GGSIPU. The theme was How to Make Communication Effective. Sir begins with the quote from Bhagavad Gita that “Speech should be truth. Beneficial to the listeners. Pleasant to hear. Made only after thought and self study.” Then he explained the term WATCH as follows:

**W - WATCH**  
**A - ACTION**  
**T - THOUGHT**  
**C - COMMUNICATION**  
**H - HABBIT**

The extended lecture was a great success as it provided insight, inspiration and enriching knowledge to use effective communication skills.

## PREPARATION OF TIME TABLE & ACADEMIC CALENDAR

The session was started with a warm welcome of ma'am Ms. Balbir Kaur. She began her session in an interactive mode by asking the pupil teachers about the importance of Time Table and Academic Calendar in a school. Pupil teachers responded in an effective way which gave a reflection about their awareness about the topic. She then continued by explaining the significance of preparation of time table and academic calendar. She has put emphasis on how to allocate time on a particular subject per week and elaborated on it with the help of an example. Difficulty level of scholastic subject, availability of teacher in that slot, inclusion of co-scholastic subjects are some points that are to be considered while preparing Time Table for a school.

# A HOUSE ACTIVITY - THINK OUT OF THE BOX

A house activity – Think out of the Box was organized on 11 November in the Gitarattan Institute of Advanced studied and Training. It was conducted in groups as well as individually. Teacher Trainees were asked to think and present their thoughts through story, poem, quiz quote, ppt, and videos or by any other instrument/ source of their choice.

All the students of D.EL.Ed. And B.Ed. participated and performed under the guidance of supervisors allotted to supervisor of the house teachers.

Learners were highly delighted by the opportunity as they were able to look into matter through different perspectives and it even helped them in holistic personality development with enhanced writing and listening skills.

# EXCURSION TO LOHAGARH FARMS

Gitarattan Institute of Advanced Studies and Training organized a college trip dated 17th December, 2022 to Lohagarm Farms Gurugram, Haryana. We all together with the school students departed the college at 8;30 am and reached the destination at 10:00 am sharp. We together our supervisor Mrs. Rekha ma'am we left and went to click some pictures for remembering the memorable day. She with 17 girls later went and enjoy some refreshing lemonade. We later went and explore t

the farm and tried some cool adventure sports. Some of us went and tried the regional dresses of Rajasthan and put henna too. We played several games like sack race, trampoline, archery and pottery. We again reunite ma'am while having lunch and had some sweets after meal. Later went to watch swarns and haunted house. Later at 3:30pm before leaving we had a Dj session and left the place at 4:30pm. It was a great trip we all enjoyed a lot. We reached school at 8:00pm and later disperse and went to our respected destinations.

## EXTENSION LECTURE PSEI

An Extension Lecture was held on January 17th, Tuesday, 2022 in our college and the speaker was our Chairman, S.K Bhatia sir.

Sir has been a part of the CIE, Department of Education for 23 successful years. He has been an associate professor at SCERT and multiple schools as well. He has published several research papers nationally and internationally. Having authored more than 16 books and been a guiding torch for our college for 25 years, Sir is a true inspiration and has the power and mind to influence people with his words and thoughts.

Some of the major themes and topics that were touched upon were the guidelines and prompts that would help us maintain a reflective journal which would include our observations and reflections on the pedagogical practices and experiential learning. Sir enlightened us with multiple angles that could be discovered while observing classroom management including pedagogical practices, reflection on the roles and responsibilities as well as our reflection on the field activities.

This extension lecture was yet another enlightening session with sir, where we were made well aware of the eternal knowledge and guidance by sir. Sir discussed the guidelines related to our PSE-1 and shared with us his valuable experience, leading us to a better understanding.

It was a much-needed and enlightening session where sir's experience and guidance helped us understand the task and PSE-1 in a better manner. It is always a delight to have him and his extension lectures truly help us in understanding the technical aspects of our programme.

# ANUGOONJ-2023-INTER COLLEGE FEST

College festivals are one of the best times in any students' college life where they get opportunities to showcase their talent, gain new experiences, find their hidden talents, and not

to forget, have lots of fun. On such college festival, Anugoonj, was held in Guru Gobind Singh

Indraprastha University, Dwarka from 2nd March 2023 to 4th March 2023. A three days festival was organized within the GGSIPU campus itself. The campus was decorated beautifully and various arrangements were made for competitions and the guest artists that

were invited. competitions such as Debate, Just a minute, Street Play, Group Song, Poetry, Collage Making, On the spot painting, Footloose, and Quiz are few examples. All the competitions were held on different days and proper venue was allotted for each one of them. Moreover, the students of the

college took part actively throughout the festival. They were involved in numerous activities such as planning & organizing, volunteering, setting up stalls, etc. The playgroup of the GGSIPU Dwarka Campus was well lit with a huge stage and tiny food stalls in the perimeter. Guest artists including Sukh-e, Ravatar, and Armaan Malik performed during

Anugoonj 2023. Pupil teacher Apurva Chhabra, from Gitarattan Institute of Advanced Studies and Training took part in Collage Making competition at Anugoonj. Although, before the final competition, a preliminary round was conducted on zonal level. The topic given to us for collage making was 'G20'. All the participants gathered at the venue that was informed to us prior and the competition was conducted smoothly after proper registration. Apoorva Chhabra stood 2nd rank in the preliminary round and was finalized for the finals.

Therefore, she went for the final round at GGSIPU main campus on 3rd March 2023. To sum up, Anugoonj was not only a festival of enjoyment, but also an excellent effort by the university including all the people involved, in giving students a platform to explore, experiment, implement, and learn.

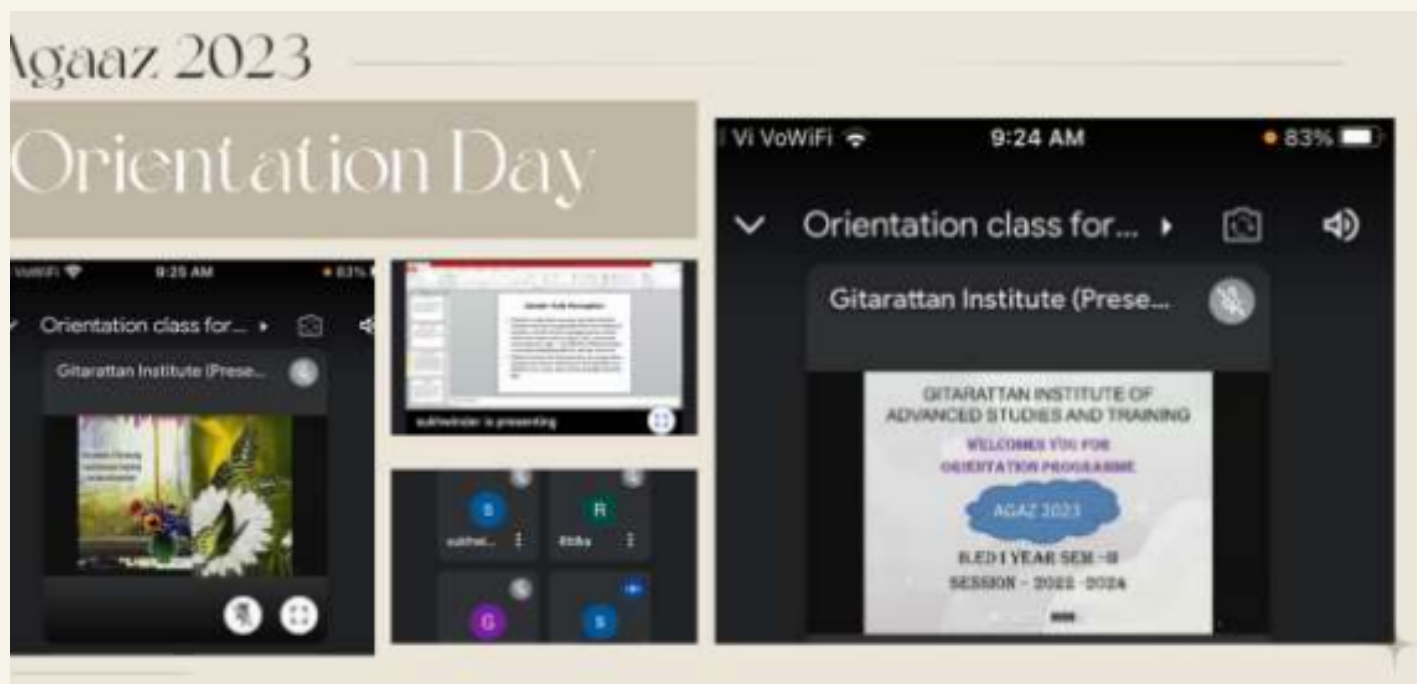

# AGAAZ 2023

## VIRTUAL ORIENTATION PROGRAMME -B.ED II- SEMESTER

“Everyday is a fresh start, every day is a new beginning every morning we wake up is the first Day of our new life” The virtual orientation programme was conducted for second semester Students on March 2, 2023. As a part of the academic activity, the programme was organised for second semester students of B.Ed., Gitarattan Institute of Advanced Studies and Training from 9:00 am to 10:00 am. A welcoming note was given by coordinator Dr. Shikha Ranjan followed by faculty student interaction. She motivated students with the help of a quote and guided us about how Life is about accepting the challenges along the way, choosing to keep moving forward, and savoring the journey.

As a part of the academic activity, the programme was organised for second semester students of B.Ed., Gitarattan Institute of Advanced Studies and Training from 9:00 am to 10:00 am.

A welcoming note was given by coordinator Dr. Shikha Ranjan followed by faculty student interaction. She motivated students with the help of a quote and guided us about how Life is about accepting the challenges along the way, choosing to keep moving forward, and savoring the journey. She also marked the attendance of both the sections. Later on queries related to MOOCs on SWAYAM PORTAL were also addressed by the coordinator. Dr. Shikha Ranjan also informed Students about the Holi celebration at college in offline mode and informed about the timings of the college for offline classes.

After first session by Dr. Shikha Ranjan, the programme was followed by different Professors and they all explained about the syllabus its content, objectives, scope and discussed about the practical subject wise. the major objective of this session was to:

Make students aware about the syllabus and course objectives.

To bridge the gap between students & faculties.

To involve and learn about the career development process and develop their skills.

Importance of internal session tests.

The session was very interactive and informative. All the students actively participated in the discussion.

## KHELO HOLI NATURALLY & WOMEN'S DAY

### POSTER MAKING COMPETITION

An inter house competition for poster making was organised in Gitarattan Institute of Advanced Studies and Training on 6th March 2023.

The themes allocated for poster making were khelo Holi Naturally and womens' day. These themes were in reference to the activities suggested by ECO CLUB, DELHI. For this activity the pupil teachers were allocated with their respective houses and then they formed groups according to their choice. The divided group then chose any one of the above mentioned theme and designed their posters according to the theme. Everyone participated with great zeal and zest. Each group prepared eye catching posters that reflected the themes very well. The posters were seemed to be speaking for the theme as they had strong slogans related to the theme . The activity was conducted successfully and it made the pupil teachers to know about the significance of the themes. It was a great experience for all the pupil teachers.

## WOMEN'S DAY & HOLI CELEBRATION

GITARATTAN INSTITUTE OF ADVANCED STUDIES AND TRAINING organized the women's day and Holi celebration on 7th March 2023. It was a fun filled celebration with dance performances by B.Ed & D.El.Ed 1st & 2nd year. Students recite poem on the theme women empowerment and speech on the significance of Holi celebration. Teachers also participated during the celebration. Dr. Shikha Ranjan along with Ms. Geetanjali ma'am performed on the spot along with other teachers.

## GENDER EQUALITY AND RIGHTS OF WOMEN

### ESSAY WRITING COMPETITION

“Women are the largest untapped reservoir of talent in the world” - Hillary Clinton We at Gitarattan Institute of Advanced studies and training believe in this and try to bring out the hidden talent of the students. Keeping up with this thought, Giast institute had organized an essay writing competition for the students of B.Ed. the theme for the essay writing competition was “Gender equality and rights of women”. The competition was conducted on 7th March through offline mode and all the students participated enthusiastically. it was indeed a joyful experience for the students. We all enthusiastically participated in the competition by exploring our imagination, enhancing our creative skills in our own artistic

ways.

## WATER CONSERVATION STUDENT MARCH - SAVE WATER

To spread awareness about Water Conservation our college Gitarattan Institute of Advanced studies and Training organised a campaign on 10th march 2023 in which all the pupil teachers made banners and took out a rally by holding the posters. The rally was done in the whole college & nearby street with shouting the slogans to make everyone aware about water conservation.

## WETLAND RESTORATION POSTER MAKING

A poster making competition on the topic **WETLAND RESTORATION** was organized in Gitarattan Institute of Advanced Studies and Training on 16th March 2023.

The pupil teachers had to draw a beautiful and attractive poster on wetland restoration on the occasion of World wetland day. The activity was conducted group wise and the pupil teachers participated in the groups of 4 to 5 students. Wetland restoration is the manipulation of a former or degraded wetland's physical, chemical, or biological characteristics to return to its natural functions. The primary goals are providing wildlife habitat, improving water quality, and providing flood protection. The activity was conducted successfully and the pupil teachers participated enthusiastically in this activity.

## EXTENSION LECTURE ON EXPERIENTIAL LEARNING

All the B.Ed Trainees and the faculty attended the lecture and it was a very illuminating session with Bhatia sir, as usual, and we were happy to have him because his expertise and direction are always very invaluable to us.

## EXTENSION LECTURE ON ACTION RESEARCH

**“NO RESEARCH WITHOUT ACTION, NO ACTION WITHOUT RESEARCH”**

**An Extension lecture on SOLVING SCHOOL PROBLEMS THROUGH ACTION RESEARCH was**

**held on Tuesday, March 21, 2023, at the Giarattan Institute of Advanced Studies and Training and the speaker was Dr. S.K. Bhatia (former Associate professor, CIE, University of Delhi). He has stood as the institution's anchor and is a foundation of academic success in all spheres.**

**Dr. S.K. Bhatia sir started his lecture by sharing his own personal experience of Army Public School, Subroto Park. He followed inductive approach to make all understand the concept of Action Research in 1960. He then mentioned how this extension lecture on action research will be beneficial for all the student teachers and covers most of the crucial details related to the topic. After the brief introduction, Dr. S.K. Bhatia talked about prof. Stefen M. Corey who give the concept of action research. Then sir told us that action research simply means solving a local problem in a local setting. It is necessary for educational practitioners to do action research for improving the learning process. We further discussed about process involved in the action research including designing, collecting data, analysis of problem involved and the outcome and corrective strategies for solving problems. Afterward sir discussed about purpose of action research. Sir told us that action research is beneficial for us while writing teachers diary in future and setting instructional and learning objectives. After discussing all the aspects of action research, sir concluded the lecture by giving various examples in which action research can be done. It includes problems like truancy in class, remedying an inattentive student, improving students' handwriting and many more. All the B.Ed trainees and faculty attended the lecture and it was a very illuminating session with Bhatia sir, as usual we are happy to have him because his expertise and direction are always very valuable to us.**

# EARTH DAY CELEBRATION

## THEME OF THE ACTIVITY: POSTER MAKING

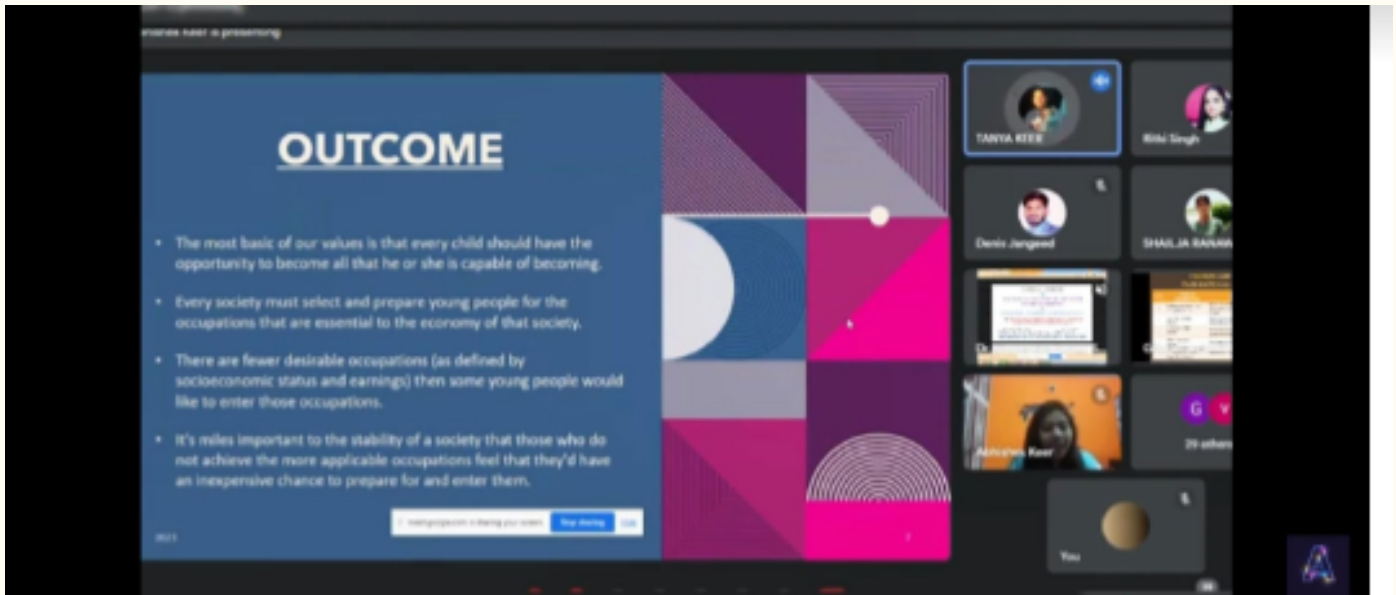

An activity was organised in Gitarattan Institute of Advanced Studies and Training on April 21, 2023; Friday. The objective of the activity was to celebrate and express our love for the planet and making our sustainability aspirations known. Students from each house have reflected their sincerity towards mother earth through beautiful craft work. This activity gave us the opportunity to combine nature and art while representing an important day.

### BRIEF DESCRIPTION OF PARTICIPANTS(LIKE INDUSTRY EXPERTS, STUDENTS, FACULTY, ETC):

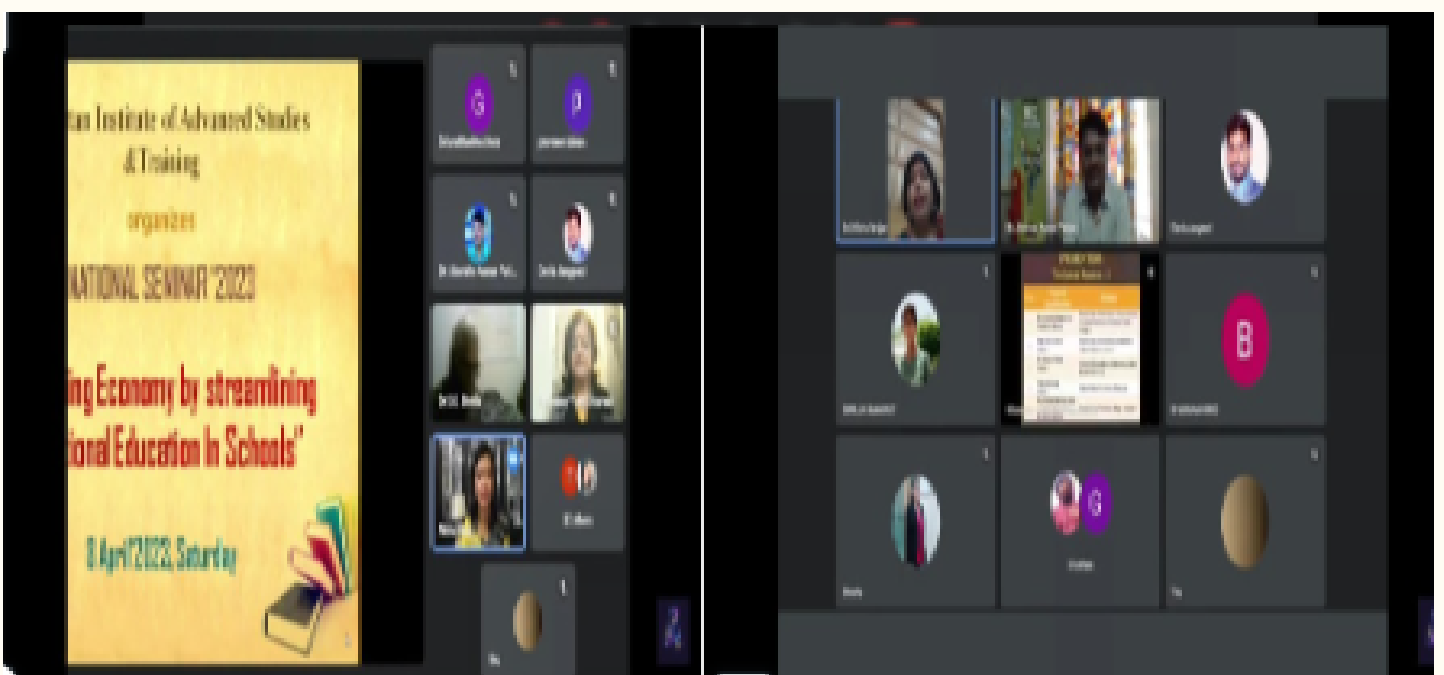

An activity was organised in Gitarattan Institute of Advanced Studies and Training on April 21, 2023; Friday. The objective of the activity was to celebrate and express our love for the planet and making our sustainability aspirations known. Students from each house have reflected their sincerity towards mother earth through beautiful craft work. This activity gave us the opportunity to combine nature and art while representing an important day. Students have expressed their appreciation of nature through abstraction, flat brushstrokes, and dark lines. By reducing nature to its simplest form, shapes, the drawings were Introspective and meditative, aiming to create “harmony parallel with nature.” In the activity, one or more students as a group initiated and came forward to put light on the theme. This activity took place in pedagogy room. It helped the students in connecting oneness with the environment through various forms of folk art.

# NATIONAL SEMINAR ON “BOOSTING ECONOMY BY STREAMLINING VOCATIONAL EDUCATION IN SCHOOLS”

This National Seminar aims to review one of the highlighting spot of NEP envisaging the potential side of Vocational education. The National Seminar was conducted on December 8th April 2023 at Google Meet application. Various scholars, directors, students from the walk of education from different college & universities participated in the seminar. Few of them also presented their paper. Certificate was given to all.

# CASE STUDY CHALLENGES

**A CASE STUDY BASED** movie screening **Taare Zameen Par** was organised in college as a part of **B.ed curriculum of Reading and Reflecting on text**. The objective of this course is to develop proficiency in reading reflecting and responding to a variety of written texts as well as various audio- visual resources in different ways. Therefore, the movie **Tare Zameen par** by **Aamir Khan** and **Amol Gupte** was screened for the student-teachers on **17.04.2023, Monday** in the college **AV room**.

## **THEME OF ACTIVITY**

### **INSTRUCTIONAL AID**

**Gitarattan institute of advance studies and training believe in giving the best insights to the students. Keeping up with this thought, B.Ed faculty had organised an extension lecture for Pedagogy on the topic “teaching aid for maps and globe” which was taken up by Ms. Ravita on 3 rd April 2023.**

---

**The focus was to make the students aware of the relevance of the subject and why it is important to understand the maps and globe beforehand. She pointed out the importance of audio-visual aids that are considered to be the most useful teaching aid, used in social science.**

# EXTENSION WORKSHOP

## THEME OF ACTIVITY

**NURTURING LIFE SKILLS CORE ESSENTIAL FOR 21ST CENTURY TEACHERS**

**AN EXTENSION LECTURE WAS ORGANIZED ON NURTURING LIFE SKILLS BY DR. SUBHASH CHANDER ON 20 APRIL 2023.**

The workshop started with beautiful welcome note given by one of our classmates . She gave introduction about educational qualifications and achievements of the speaker. Dr. Subhash started the lecture with a very simple yet very intriguing question i.e. “what is the most important thing for a teacher?” This question really made all of us think that is the most important factor for a teacher . As we all are budding teachers we all should have one thing which we feel is the most important thing which defines the personal believes of a teacher .Life skills are the combination of competencies , skills and attitude . Life skills helps people to make informed decisions and solve the challenges faced. In our lives

# MEGA JOB FAIR

---

## THEME OF ACTIVITY

### MEGA JOB FAIR

A mega job fair for the B.ED 2 nd Year students of GITARATTAN INSTITUTE OF ADVANCED STUDIES AND TRAINING was organized on 26 th May'2023 where various institutes were invited to the college premises. The students of GIAST enthusiastically participated and took the opportunity to get firsthand experience about the various institute and schools. This fair not only became the medium of informing the students about the professional world but also served as an apt forum to create and build consciousness among the future teachers. The job fair, also referred commonly as a career fair or career exposure, is an event in which employers, recruiters, and schools give information to potential employees. It served as a medium of dissemination of skills that the institution look in candidates.

---

# EXTENSION LECTURE

---

## THEME OF ACTIVITY

### EXTENSION LECTURE ON ENTREPRENEUR

An extension workshop was held on 1ST MAY'2023 at the auditorium on the theme of Business Plan [Entrepreneurs] . The speaker was Ms. Komal Sharma , alumni ofGitarattan Institute Of Advanced Studies And Training. And currently she is associated with cbse affiliated renowned school as a Business Studies teacher. ms. Komal started with a basic introduction about the business plan , how to write the B.Plan and the importance of having a business plan. And how B.Plan helps us to overcome that problem.

---

# EXCURSION

## THEME OF ACTIVITY

### EXCURSION TO BHARAT DARSHAN

Learning does not happen solely from theoretical knowledge but it comes through experiences. Tapping into the diverse possibilities which experiential learning offers Gitarattan Institute of Advanced Studies and Training Delhi organized an excursion to Bharat Darshan Park on 4th April, 2023.

The trip was organized for first and second year Bachelor of Education students. The excursion started on a positive note as Dr. Shikha Ranjan, professor Gitarattan Institute of Advanced Studies and Training, briefed the students about the various heritage sites.

They clicked pictures and admired the scriptures on which were mentioned the details of those monuments.

Exemplifying on the three R's- Reduce, Reuse and Recycle, this excursion envisaged the importance of waste management. Bharat Darshan Park altered the students' opinions as they understood the importance of nature and through the lens of the replicas of the monuments learned how waste can be transformed to such magnificent art.

---

## INTERSCHOOL COLLEGE FEST

### THEME OF ACTIVITY

#### MOSAIC 2K23

---

The event commenced with cordially inviting the guest of honour, Ms. Sonia Jindal, Principal, Gitarattan institute of Advanced Studies and Training. Further, the guest of honour and the faculty were invited to light the ceremonial lamp as a tribute to mother Saraswati. The occasion was graced with a classical dance performance on Ganesh Vandana.

## MOCK INTERVIEW

The panel interview was upheld by the esteemed Mr. Rajesh Kr (PGT English), Ms. Ravita (TGT Social Science), and Ms. Komal Sharma (PFT Commerce). The co-assistant interviewers in the panel interview were Ms. Nilda PGT Physics), Ms Sangeeta (TGT English) and Ms. Anita (TGT Science). the interviewers asked extensive questions related to the course content, and teaching strategies which would be implemented in the classroom. This mock interview enabled the student-teachers to comprehend the interview strategy to crack the interview round. The mock interview came to fruition as the feedback was given to the student teachers

## NATIONAL TECHNOLOGY DAY REEL MAKING COMPETITION

On occasion of national Technology Day, Gitarattan Institute of Advanced Studies and Training organized reel making competition on the topic of "Make your own story on nature," on May 12th, 2023.

## WORKSHOP

A workshop titled "The Impact of Guidance and Counselling on Personality" was organized on 18th May 2023, featuring Dr. Priti Sambhalwal as the guest lecturer. The workshop began with a warm welcome from one of our classmates, who introduced Dr. Priti, highlighting her educational qualifications and achievements.

Dr. Priti commenced the workshop with an engaging activity that involved self-assessment. Participants were Encouraged to reflect on their strengths, weaknesses, struggles in overcoming those weaknesses, and seeking help when needed. These thought-provoking questions fostered introspection and self-awareness among the attendees. subsequently, Dr. Priti discussed various topics that play vital roles in the guidance and counselling process, including Personality trait, Cognitive Styles, Self-Concept, and Motivation.

# WORKSHOP

## WORKSHOP ON CRAFT & ART : CREATIVE IDEAS

**“ART IS A WAY OF SURVIVAL”**

**A workshop was conducted on creative ideas by Mrs. Sheetal Chopra on 10 May 2023 to teach- Stencil art on fabric Art using clay canvas painting**

**Ms. Sheetal Chopra ma'am explained about fabric painting in detail, she picked a fabric which was a t-shirt and explained how to effectively paint it using vibrant colors. Students were told to use any kind of fabric like tablecloth, handkerchief. She explained in detail about how to use stencil in fabric painting. She prompted students to use creative ideas to make their own stencils and also demonstrated how to prepare a stencil of a flower design. Students listened keenly and enjoyed it. After fabric painting ma'am introduced canvas painting and showed a painting of Krishna's feet to students so that they could get an example as to how make a lovely canvas art work, students were all enthralled to paint the canvas they brought. Teacher helped students by giving them hints and helped them with colors and how to do tracing. She gave some important suggestions about using different colours on the Canvas. Ma'am was appreciative of the creative energy around, gave inputs into each student's work to help express their own imagination.**

## EXCURSION THEME OF ACTIVITY VISIT TO ALL INDIA CONFEDERATION OF THE BLIND

Disability is merely a mindset, and there is an urgent need to make a change. A vision to change mindset and to view the infrastructural facilities available for the children with special abilities, Gitarattan Institute of Advanced Studies and Training organized a visit to All India Confederation of The Blind on 02.06.2023.

## WEBINAR AND SEMINAR THEME OF ACTIVITY NIPUN BHARAT : FLN

A special seminar on NIPUN BHARAT was conducted by Ms. Balbir Kaur, providing valuable insights and information. The seminar focused on the National initiative for Proficiency in Reading with Understanding Numeracy (NIPUN BHARAT) and its significance in improving the education system, particularly for children between the ages of 3 and 9. Implemented in 2022, this scheme aims to enhance the educational experience of children and is aligned with the National Education Policy (NEP).

Ms. Kaur highlighted the concept of teaching students in their mother tongue before introducing a second language, usually English. This approach enhances understanding and comprehension. Emphasizing vocabulary development as a crucial component, she stated that by the age of 3, students should be able to write a sentence to facilitate their understanding of subsequent concepts.

## QUIZ COMPETITION THEME OF ACTIVITY CYBER SECURITY

In light of this, Gitarattan Institute of Advanced Studies & Training organized a quiz competition on the cyber security under the CCA (co-curricular activities) on 06.06.2023. Students were divided according to their houses, and separate teams were created in each house. A teacher was assigned to each house for conducting the verbal quiz.

It was a very informative and enriching Quiz for the participants. The winners were announced as per each House Group. The quiz fulfilled the objective of awarding students to the concept of cyber security. The length and depth of knowledge that students gained from this activity was simply unparalleled resulting in an enthralling experience for them.

## POSTER MAKING THEME OF ACTIVITY FOUNDATIONAL LITERACY & NUMERACY

Gitarattan Institute of Advanced Studies and Training has organized several events and competitions Under the G-20 series of programs where students celebrated India's G-20 presidency and spread the Message of "Uasudhaiva Kutumbakam".

They passionately made innovative posters with heartwarming slogans. The competition was held for duration of 2 hours. After completing the posters, the students explained the posters what were made and also explained the motto behind making the posters. The activity was very interactive and students participated with great enthusiasm.

## RANGOLI MAKING THEME OF ACTIVITY

### G20

The Rangoli Making Competition on the topic “G20” was organized by the Ministry of Education, Government of India at the prestigious Gitarattan Institute of Advanced Studies and Training, Rohini, Delhi. Rangoli, a traditional Indian art form, involves creating intricate and colorful designs on the ground using colored powders, flowers, and other natural materials. The event aimed to celebrate the significance of the G20 and promote the rich cultural heritage of India. The main objectives were to encourage creativity and artistic expression among participants, to showcase the importance of G20 and its impact on global economies, to foster a sense of national pride and cultural appreciation and to promote the traditional art form of rangoli.

### EXTENSION LECTURE

#### THEME OF THE ACTIVITY: SCHOOL PRACTICES IN CONTEXT OF DRINKING

An extension lecture on ‘Environmental Issues’ was delivered at GITARATTAN INSTITUTE OF ADVANCED STUDIES AND TRAINING by Nida Hussain, Pgt physics. She focused on two crucial aspects of environmental conservation in the school setting – drinking water management and garbage management. These are pressing concerns that require our attention and immediate action. By understanding the importance of these practices and implementing effective solutions, we can contribute to a healthier and more sustainable environment. Ma’am begin by examining the significance of drinking water management within our school premises.

## EXTENSION LECTURE

### NEED AND IMPORTANCE OF THEMATIC ASSEMBLY AND MAINTENANCE OF RECORDS AND TIME – TABLE.

“Education is not the filling of a pot but the lighting of a fire.”- WB YEATS An extension lecture was held on the 25th of August in the Gitarattan Institute of Advanced Studies & Training on the theme of the Importance of thematic assembly and maintenance of records and timetables. The lecture was conducted by Mr. Gulab Singh Sharma who is an educationalist with years of profound experience as headmaster in the directorate of education and deputy secretary of Sanskrit, having completed his master’s and M-Phil from the esteemed Delhi University. The icebreaking session done by sir reiterated the importance of interaction and emphasized the ability to divert from traditional and conventional teaching methods and make the teaching less monotonous. He focused on understanding the emotions and psychology of students as sympathy is imperative.

### B.ED SEMESTER III - ORIENTATION DAY DEDICATED TO EFFECTIVE TEACHING

The Gitarattan Institute of Advanced Studies recently conducted the Orientation Day for the third semester of the Bachelor of Education (B.Ed) program, marking a pivotal moment for the aspiring educators enrolled in the program. This semester holds great importance as it focuses on refining the skills essential for proficient teaching, with a strong emphasis on practical training and internships.

The orientation commenced with Ms. Shikha Ranjan, who provided an insightful introduction to the course curriculum, the underlying rationale, and the key objectives of the semester. The faculty members proceeded to share their expertise, sequentially unveiling the core skills indispensable for effective teaching and learning. The third semester has been meticulously structured to equip students with the indispensable proficiencies and knowledge requisite for impactful teaching. The enlightening orientation has opened doors to the realm of possibilities within this semester, fostering a strong sense of anticipation for the learning journey ahead. The Orientation Day for the B.Ed program’s third semester has effectively set the stage for an immersive educational experience tailored to cultivate future educators. The fusion of comprehensive training sessions and hands-on internships ensures that students are fortified with a comprehensive skill set, profound knowledge, and practical exposure—qualities essential for them to evolve into adept and influential educators. This semester stands as a remarkable stride toward nurturing well-rounded individuals poised to shape the future landscape of education.

## MEHENDI/RAKHI MAKING RAKSHA BANDHAN CELEBRATION

The competition allowed participants to choose either Mehendi or Rakhi making as per their interest or preference. It was mandatory for all students to take part in this Co-Curricular Activity (CCA). The atmosphere was filled with joy, excitement, and a spirit of readiness as students got involved in the event. Some students exhibited their creativity directly on their own hands using Mehendi cones, while others decided to showcase their talents on paper. Not stopping there, some even ventured into making beautiful tattoos on their hands. The participants thoroughly enjoyed taking part in the CCA activity and displayed exceptional flair and skills in their respective endeavors. The competition served as a platform for the students to showcase their artistic abilities and talents, further motivating them to excel in any task they undertake. Overall, the event was a resounding success and showcased the immense potential and talent present within the student community at Gitarattan Institute of Advanced Studies and Training.

## TALENT HUNT OPEN

multitude of participants eagerly joined, driven by the desire to exhibit their skills. The event commenced with a captivating dance performance that set the tone for the day. Following that, stand-up comedians took the stage, evoking hearty laughter from the audience. Confident voices resonated as students adeptly narrated stories, sharing glimpses of their personal journeys. The gifted dancers left smiles on spectators' faces, while the solo singers kindled a wish to possess similar vocal prowess. The talent show encompassed a diverse spectrum of events including classical music renditions and both solo and group dance performances. Pupil teachers garnered medals across various domains, illustrating their multifaceted achievements. Under one roof, a myriad of talents converged, highlighting the success of the talent hunt as an exceptional platform for unearthing hidden abilities. Pupil teachers enthusiastically embraced the talent hunt, illuminating their impressive aptitude and their unwavering commitment to excellence in every endeavor.
